

With One Voice is dedicated to providing an accessible and inclusive online experience for all visitors. We are committed to meeting the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA standards to ensure our website is usable and navigable by individuals with disabilities.

#### Accessibility Features:

**Alternative Text:** We provide alternative text for all non-text content, such as images, to ensure screen reader users can access the information.

**Keyboard Navigation:** Our website can be navigated and interacted with using only a keyboard, ensuring accessibility for users with motor impairments.

**Clear Structure:** We use semantic HTML to create a clear and logical structure for our website, making it easier for screen readers to interpret.

**Color Contrast:** We maintain sufficient color contrast for text and background elements, enhancing readability for users with visual impairments.

**Resize Text:** You can adjust the text size on our website to better suit your needs through your browser settings.
